

Dear Family and Friends,

I am a student musician in Dow High's **band/choir/orchestra name**. I am emailing to let you know about an easy (and delicious!) way to show your support for DHS music programs. The Dow High Music Boosters are hosting their popular Annual Fruit Sale and all proceeds will help fund our high school music programs.

Premium quality oranges and grapefruit are shipped to Midland directly from the orchards, and you can purchase full or half cases for pickup February 2-4, 2023. This year, prices are \$32/\$16 for oranges and \$34/\$17 for grapefruit. Orders are accepted online from November 21, 2022 until January 13, 2023 at dowhighfruit.org where you can also make a financial donation. A portion of your purchase may be tax deductible.

I would appreciate if you would put my name in the Student Seller section during checkout so that I can receive sales credit. Please mark your calendar to pick up your fruit at Dow High between February 2-4, 2023. If you would like me to pick up and deliver your fruit, reply to this email or call me at **XXX-XXX-XXXX** before placing your order.

I appreciate your support of Dow High Music! Thank you for helping me and my fellow classmates continue to make music together!
